A Word From Our Pastor

Summer has arrived with higher temperatures, gardens and grass growing, school year is complete and more outside activities. This is a time to plan and go on vacations or short trips. I hope everyone enjoys this summer and in all that we do and places we go, take God, Christ and the Holy Spirit with you. Allow the trinity to guide and comfort you along with allowing the light of Christ to shine through you so God can be seen because of you. Have a great summer.

- Pastor Calvin

To our church family,

I would like to submit pictures from church activities to the Gazette Journal. Permission is needed from those people in the pictures. If you would have any objections to your picture or your children's pictures being printed in the Gazette Journal, please let me know. Names may also be used to identify people. If this is not acceptable, please let me know. It would also be helpful if you sent me an email saying yes it is okay. If I do not hear I will accept that as a yes it would be okay to submit my picture.

Thank you for your help.

An Older Man

An older man had endured serious hearing problems for years. He went to the doctor, who fitted him with hearing aids. A month later, he went back to the doctor who said, "Your hearing is perfect. Your family must be really pleased that you can hear again." The older man replied, "Oh, I haven't told my family yet. I just sit around and listen. I've changed my will three times."
